The following publications and resources are included in the Spiritual Gifts Retreat Planning Package.

1. CHARISMS OF THE HOLY SPIRIT: TOOLS FOR THE NEW EVANGELIZATION

Charisms of the Holy Spirit: Tools for the New Evangelization includes a Rescript (Imprimatur and Nihil Obstat) by The Most Reverend Leonard Paul Blair, STD, Archbishop of the Archdiocese of Hartford, Conn.

Charisms of the Holy Spirit: Tools for the New Evangelization is specifically designed to support dioceses, pastors and pastoral leaders, parish ministers, and Catholic communities desiring to better equip missionary disciples. The book enables everyday Catholics to develop a keen awareness and understanding of their “spiritual gifts”. These gifts, called “charisms”, help us discover and uncover the spiritual gifts given to each one of us through the anointing of the Holy Spirit. They are the necessary tools to not only form disciples, but they are also the very tools disciples need to use when they go out on mission to bring Christ to the world and the world to Christ.

Charisms of the Holy Spirit: Tools for the New Evangelization details the theological foundation for spiritual gifts as noted in Sacred Scripture, the Catechism of the Catholic Church, and Church Documents. The book includes *The Charism Inventory for Catholics*, the *Inventory Answer Form*, and the *Inventory Answer Key*. The following topics provide detailed information for each of the twenty charisms:
